

Tutor/Lecturer in Paramedic Science

Salary scale: £28,289 - £32,796

Applicants are invited for the position of Tutor/Lecturer in Paramedic Science in the School of Health Science **reference 4797**

This is an exciting opportunity for an enthusiastic individual to join the School providing expertise in the study of key aspects of paramedic education and practice within the multi-disciplinary team. The main teaching duties will be associated with the Higher Education Diploma in Paramedic Science, although there will be the opportunity for involvement in a variety of other programmes. The post holder will be encouraged to undertake related research and scholarly activity and the post will involve a range of administrative duties associated with this academic role.

Applicants must possess a first degree and be a state registered paramedic with substantial experience of working within that field. A recognised teaching qualification (eg Ambulance Training Award and/or PGCE) would be desirable as would a post graduate qualification and or PhD (or near completion) in a related field. Candidates must also have a commitment to maintain their clinical skills.
